To issue a warrant.

The probation officer believes that the offender has violated the following condition(s) of supervision:

------------------	-------------------------

Mandatory Condition #3: The defendant shall not illegally possess a controlled substance.

Supporting Evidence: According to Yakima Police Department report number 17Y008235, dated February 27, 2017, at approximately 1655 hours officers were dispatched to Lowe's home improvement store in Yakima, Washington, in regards to a male using drugs in his vehicle. Upon arrival, an officer observed the male in a Ford pickup truck consuming an unknown substance. The male was identified as Mark Petty and he was detained. Mr. Petty was advised of his Miranda warnings. He spoke with the officer and admitted to having smoked heroin. He went on to say that he purchased \$30 worth and it was nearly all gone. He agreed to have his vehicle searched. A plastic tube Mr. Petty used to inhale the smoke and two pieces of foil were recovered in the driver's side of the vehicle. Mr. Petty agreed to a search of the entire vehicle and located in the center console was a plastic bag containing a substance believed to be heroin, more foil, and a plastic tube. He was questioned further and admitted to having just purchased the substance for approximately \$200. He was transported to the Yakima Police Department. The substance weighed in at 3.2 grams, and tested positive for containing heroin. The substance was tagged into evidence and Mr. Petty was released pending further investigation.
